

PLAY YOUR PART...

Every note played, every concert performed, and every student inspired begins with your generosity. As a donor, you are an essential part of the Regina Symphony's story—bringing world-class music to our stage, supporting emerging artists, and making programs accessible to people of all ages and backgrounds.

Ticket sales cover only a portion of the costs required to present a full season. Your donations provide vital support—ensuring we can deliver exceptional performances, reach new audiences, and invest in meaningful education and outreach programs for years to come.

With your support, the Regina Symphony continues to thrive, innovate, and inspire. Thank you for keeping the music alive.
